Relocating to Denver mid November 2004

Objective

Seeking permanent position in progressive graphic design / interactive environment where my skills and assets in design and computer technologies will find a home with a team of like minded creative professionals. Multidisciplinary a plus.

Experience

Graphic Artist / Interactive Designer

LearnitCorp — Gainesville, FL
February 2003 – August 2004

- * Worked with a team to design and develop custom multimedia marketing presentations for clients.
- * Worked with a team to design the LearnitCorp website and other corporate assets, online and off.
- * Created multimedia training using Flash and other tools for inclusion in LearnitCorp courseware.
- * Developed applications in Actionscript, HTML, JavaScript, XML and CSS for LearnitCorp training software and proprietary tools.

Art Director / Interactive Designer

Cloudspace — Orlando, FL
December 2000 – January 2003

- * Designed and directed all visual aspects of production.
- * Designed the Cloudspace brand and oversaw brand material usage.
- * Designed and programmed interactive multimedia.
- * Programmed in Flash for dynamically driven interactive websites and proprietary applications.
